Multi-functional Organic Bath and Skincare for Our Bodies and the Planet

Daughter of the Land represents a way of living which extends beyond the products we offer. Our vision is to bring greater awareness to the ways we consume and relate to both our bodies and our planet.

We create beautiful, highly-effective, multi-functional organic skincare with the lowest possible impact on the environment. All of our products are crafted and formulated with intention, and thoughtfully packaged in biodegradable and fully recyclable materials.

bath

CBD Cypress Bath Soak | 16 oz

MSRP \$39

A bath soak formulated for the muscles and mind alike, this organic essential oil blend will transport you to the magical spot where the meadow meets the forest.

KEY ELEMENTS

Our CBD oil is lab-tested, hemp-derived, organic, and Colorado-grown. We include CBD for its calming and anti-inflammatory properties. There is 60 mg of CBD (10 mg per serving).

The blend of Epsom + French Grey Salts combines to have over 80+ trace minerals and magnesium to help soothe the muscles and mind.

The essential oil blend is intended to promote muscle and mind relaxation.

The soak can be used for the bath or a hand/foot soak.

Packaging Notes: The tube is 100% recycled paper. The inner bags are compostable and made of renewable wood pulp. We hope the tubes are reused for storage!

- 2.** Certified Fair Trade

Iris + Rosehips Bath Soak | 16 oz

MSRP \$39

Our Iris + Rosehips soak formula includes the ancient restorative ingredients Rosehip, Jasmine, and French Grey Salt to nourish your skin and help you take a much-needed pause.

KEY ELEMENTS

Our French Grey Salt is organic-compliant and hand-harvested from Guérande, France. It is harvested in the 200-year-old tradition of using only wooden tools. The salt is a beautiful grey color, derived from over 80+ trace minerals, including clay, that each crystal carries.

Rosehip Oil and dried fruit is our key essential ingredient, packed with vitamin c, antioxidants, and essential fatty acids known for rejuvenating the skin.

The soak includes an enchanting blend of essential oils including Jasmine and Bergamot.

The soak can be used for the bath or a foot/hand soak.

Packaging Notes: The tube is 100% recycled paper. The inner bags are compostable and made of renewable wood pulp. We hope the tubes are reused for storage!

WE'RE PROUD OF OUR INGREDIENTS

The Oil - Rosehip Bloom | 2 fl oz

MSRP \$49

A luxurious multi-functional oil developed to be the only oil you need for face, body, and hair care. Formulated with ingredients that focus on the unique needs of facial care, and the versatility for body + hair care. This oil is perfect for everyday-all over use, gifting to a loved one, and for travel!

KEY ELEMENTS

The Oil blend includes clinically proven organic ingredients: Rosehip, Turmeric, and Sea Buckthorn, all focused on soothing, brightening, and boosting the appearance of the skin.

We include the Rose de Mai extract for its heart-opening, beautiful light aroma, and anti-inflammatory properties.

The Oil is lightweight, highly absorbent, and leaves skin with a dewy glow.

Packaging Notes: The glass is recyclable. Our tubes are compostable and printed with vegetable ink. We hope you reuse the tube for storage!

WE'RE PROUD OF OUR INGREDIENTS

CBD Bath + Body Oil - Cypress | 2 oz

MSRP \$62

Highly potent bath + body CBD oil with a refreshing woody scent, formulated to soothe muscles, joints, and skin, in and out of the tub. You can apply a dropperful of oil directly to an area in need and/or in the bath for a break from it all.

KEY ELEMENTS

Our CBD oil is lab-tested, hemp-derived, organic, and Colorado-grown. We include CBD for its calming and anti-inflammatory properties. There is 400 mg of CBD per bottle (about 44 mg per serving).

Our base blend includes organic, fair trade Avocado Oil, and organic Apricot Oil for its quick absorbency, high vitamin e, and fatty acid content. The essential oil blend is intended to promote muscle and mind relaxation.

Packaging Notes: The glass is recyclable. Our tubes are compostable and printed with vegetable ink. We hope you reuse the tube for storage!

WE'RE PROUD OF OUR INGREDIENTS

Olea Europaea (Olive) Oil **1**, Persea Gratissima (Avocado) Oil **1,2**, Prunus Armeniaca (Apricot) Oil **1**, Full Spectrum Hemp CBD Extract **1**, Cupressus Sempervirens (Cypress) Oil **1**, Pseudotsuga Menziesii (Douglas Fir) Oil **1**, Mentha Piperita (Peppermint) Oil **1,2**

1. Certified Organic
2. Certified Fair Trade

CBD Bath + Body Oil - Chamomile | 2 oz

MSRP \$62

Highly potent bath + body CBD oil formulated to soothe muscles, joints, and skin, in and out of the tub. Perfect for those with sensitive skin since this blend contains zero essential oils [which can irritate sensitive skin], and just a hint of sweet chamomile extract. You can apply a dropperful of oil directly to an area in need and/or in the bath for a break from it all.

KEY ELEMENTS

Our CBD oil is lab-tested, hemp-derived, organic, and Colorado-grown. We include CBD for its calming and anti-inflammatory properties. There is 400 mg of CBD per bottle (about 44 mg per serving).

Our base blend includes organic, fair trade Avocado Oil, and organic Apricot Oil, and blue Chamomile Oil, all known for their restorative and anti-inflammatory properties. Great for sensitive and/or irritated skin.

Packaging Notes: The glass is recyclable. Our tubes are compostable and printed with vegetable ink. We hope you reuse the tube for storage!

WE'RE PROUD OF OUR INGREDIENTS

Olea Europaea (Olive) Oil **1**, Persea Gratissima (Avocado) Oil **1,2**, Prunus Armeniaca (Apricot) Oil **1**, Full Spectrum Hemp CBD Extract **1**, Matricaria Recutita L. (Chamomile) Extract **1**

1. Certified Organic
2. Certified Fair Trade

CBD Balm - Cypress | 16 oz

MSRP \$48

COMING EARLY 2022

Your favorite soak now in an eco-friendly and multi-functional CBD balm stick. This balm stick is blended with Cypress, Douglas Fir, and Mint, a cool trio of essential oils known for their invigorating and refreshing properties for soothing, muscles, joints, lips, and skin.

KEY ELEMENTS

Our CBD oil is lab-tested, hemp-derived, organic, and Colorado-grown. We include CBD for its calming and anti-inflammatory properties. Each balm has 100 mg of Full Spectrum CBD.

Our base blend includes organic Argan Oil for its quick absorbency, high vitamin e, and fatty acid content. Our balm glides on, is absorbent, and doesn't leave a waxy or oily residue.

Packaging Notes: The tube is 100% compostable + recyclable, and pushes up like a push pop.

WE'RE PROUD OF OUR INGREDIENTS
